RE: TELSEON CARRIER SERVICES, INC., DOCKET NO. 04000A-01-0208, DECISION  
NO. 63979

T-

On October 3, 2001, Staff inadvertently filed a letter indicating that Telseon Carrier Services, Inc. (Telseon), had not complied with a provision in Commission Decision No. 63979 and that its Certificate of Convenience and Necessity (Certificate) was void. The compliance item described the attachment to the letter indicated that Telseon had not filed its tariff in compliance with the Commission's Decision. The Commission's Order, however, did not require compliance until 30 days of an Order approving an interconnection agreement, therefore, the Certificate for Telseon remains valid.
